KEYNOTE SPEAKERS

Anthony Buzzard was born in Surrey, England and educated at Oxford University and later at Bethany Theological Seminary. He holds master's degrees in theology and modern languages. Retiring after 24 years on the staff of Atlanta Bible College, Anthony continues to write, teach and travel, fulfilling a life-long desire to make the best of Bible scholarship available to the wider churchgoing public. He serves as co-editor of A Journal from the Radical Reformation. Anthony is married with three daughters.

Greg is the author of "They Never Told Me THIS In Church - A call to read the Bible with new eyes". Many have described this book as one of the most significant Christian books of the last 100 years. Born in Toowoomba, Qld Australia, Greg graduated from the Churches of Christ Bible College in Sydney and has had pastoral ministries in NSW, Victoria and Queensland. Greg has conducted many evangelistic meetings in a wide variety of settings in all the Australian States except WA. He currently lives on the Sunshine Coast and works as an ambulance paramedic. Greg is married with two sons and a daughter.

Since accepting Jesus as his Saviour in 1980 Frank has devoted his life to the Study of the Bible and to Christian service. Frank is fluent in modern and biblical Hebrew as well as NT Greek. He and his wife Karen have spent considerable time in the Middle East and the Balkans; among both Jewish and Muslim people. Frank has also spent much time in the study of Islam. He is the author of several books including: "Dancing with the Scimitar of Islam"; and "The Torah Mosaic Law or Divine Instructions". Frank is President of The Olive Tree Connection.

OTHER SPEAKERS

In 1975 God called him to fulltime ministry, and the family moved to Brisbane. Soon after, he was appointed assistant pastor of what was then Australia's largest charismatic church. Peter Barfoot then planted a church in Redland City, near Brisbane, in 1978. Peter breaks new ground through teaching and preaching God's word, healing the sick, and writing and publishing.

Steve's main area of ministry is currently helping to build churches in Pakistan where he has traveled several times over recent years. His primary "grace-gifts" (Rom 12:6-8) are teaching and encouraging.

Paul has had a number of Pastoral roles and has been a part-time preacher for 9+ years. Paul has also been heavily involved in pro-life activities for many years, including being President of ProLife Media Inc. for several years.
